

## MathEdge Holds Tryouts For Math Competition

By a Staff Reporter

Tryouts will be held Feb. 9 and Feb. 11 for the USA-Silicon Valley team to compete in the 2010 Primary Math World Contest. Students who enjoy solving math problems, who were born after Sept. 1, 1996, and attend the seventh grade or lower are invited to attend.

The math competition will be held in Hong Kong in July, with five-day room and board and local tours provided. Students will need to pay their own airfare.

Tryouts will be held from 7 p.m. to 8:15 p.m. at the Quinlan Community Center, 10185 North Stelling Road, Cupertino, Calif. Register online at Cupertino Parks and Recreation, <http://>

[reg4fun.cupertino.org/econnect](http://reg4fun.cupertino.org/econnect), activity #40523 for Feb. 9; or activity #40524 for Feb. 11.

Based on results, the top 10 percent of students will be invited to attend a 12-week training session offered by MathEdge. Another test will be given to determine the final eight finalists to go to Hong Kong. The top three students of each grade will be awarded a trophy and the top 10 students will each win a calculator.

For sample problems or contest information, attend an open house Jan. 17 from 2 p.m. to 5 p.m. at MathEdge, 7246 Sharon Dr., San Jose, visit [www.mathedge.org](http://www.mathedge.org), call (408)725-2680, or e-mail at [mathedge@gmail.com](mailto:mathedge@gmail.com).
